The grade level established by the Developer shall not be materially altered nor shall any filling be done that will adversely affect the proper drainage of adjacent property.

C-2 SIZE OF BUILDING: The buildings to be erected, or maintained shall be constructed of new and durable materials.

All buildings are to be architecturally compatible in design and in keeping with those of the surrounding development.

The main residence building to be erected on any lot shall have an enclosed living area of not less than 1100 square feet, and on those lots not adjoining the golf course, a living area of not less than 1000 square feet. Living area shall exclude all screened or open porches, breezeways, garages or carports, utility and/or laundry areas, whether finished or unfinished.

C-3 SET-BACK LINES, ETC.: No structure of any kind, including but not limited to dwellings, garages, swimming pools and screened cages, shall be erected nearer than 25 feet to any street right of way line, nor nearer than 8 feet from any side lot line, nor nearer than 15 feet from the rear lot line of any lot not having frontage on the golf course. Set-back lines across those lots having frontage on the golf course shall be in accordance with the set-back lines shown on the plat of record. No dwelling shall be erected further than 40 feet from the front lot line. Eaves on dwellings may overhang front, side and rear set-back lines to the extent of 3 feet.

C-4 GARAGES: No garage shall be erected on any lot prior to the construction of a dwelling. If a garage is built either simultaneously with or subsequent to the construction of the dwelling, the same shall be of the same kind of materials as the construction of the dwelling and shall be substantial and shall conform architecturally with the dwelling, and shall be attached to the dwelling.

C-5 BUILDING PLANS – APPROVAL: No building shall be erected, placed or altered on any lot until the drawings and specifications for all buildings, alterations and changes and plan showing the location of the structure and other developments for the premises herein described, shall be submitted for the approval of the Developers, its successors or assigns. One copy of the drawing and specifications of each improvement or alteration shall be filed as a permanent record with the Developer, its successors or assigns. C-6 LAWNS AND LANDSCAPING: All lawns in front of each residence lot shall extend to the pavement line. No gravel or blacktop or paved parking strips are to be allowed except as approved on the plot plan approved by the Developer. No wall, hedge, fence or other enclosure of any kind shall be constructed, grown, or maintained which is over a height of 5 feet where such wall, hedge, fence or other enclosure is located along the back lot line of such lot.

C-8 OTHER STRUCTURES: No structure of a temporary character, trailer, house trailer, or tent, shack, garage, barn, barracks type structure, or other outbuilding shall be erected, maintained or used on any lot at any time, either temporarily or permanently, except that necessary construction sheds may be temporarily maintained during construction of a dwelling but shall be promptly removed upon completion of such dwelling and not later than six months after original commencement of the construction of such dwelling.

C-9 NO RE-SUBDIVISION: No lot or group of lots herein described shall be re-subdivided, except, however, an owner of more than one adjoining lot may sell part of one lot to the owner of the adjoining lot, but by so doing the remaining part of the lot will then become part of said owner's next adjoining lot and the balance will have to be sold as one tract.

No weeds, underbrush or other unsightly growths shall be permitted to grow or remain upon the premises herein described. In the event that the owner of any lot or lots shall fail or refuse to keep the premises free of weeds, underbrush or refuse piles, then the Developer, its successors or assigns, may enter upon said lot or lots and remove such refuse or mow or cut such weeds or underbrush and charge the owner for such services and such entry on the part of the Developer, its successors or assigns, shall not be deemed a trespass.

C-14 UNLAWFUL USE OF PROPERTY: No unlawful, improper or immoral use shall be made of any of the premises herein described or referred to, and said premises shall at all times be kept mowed and clear of debris and vegetation that may be either a health or fire hazard to the neighborhood.

C-18 UTILITY EASEMENTS: Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat and five (5) feet over the rear and side lot lines. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area of each lot and all improvements in it shall be maintained

continuously by the owner of the lot, except for those improvements for which a public authority or utility company is responsible.

Where more than one lot is used as a single building site, only the outside boundaries of said building site shall carry said easements.
